

She's Waiting

28 Days

yeah my girl she's so pretty
always waiting when I get home
she's always wants to lick me
and she wears a shiny fur coat

she's always waiting when I get back home
when I get back to my house
I know that she's always waiting

my girls name is katie
and she's always there for me
and I'll tell you right now
I love her and how
