

# Enter The Place

2Baba

Na so  
Sweet music  
Sweet music

Enter the place kon start to day craze  
Make you no go look Uche face oo  
Enter the place just open your mind  
Hook up with the girl with the biggest behind  
Enter the place and wine together  
However where ever  
Enter the place you don't know what you might find

See I see it I feel it the natural music dat in the air  
You can feel it too only if you enter the place with me ehnn  
You see me you think you know me  
But you don't know half of my story enter the place  
Na there you start to give God the glory like  
Dancing my shoes on hundred miles  
You go see whether your friend own go turn to smart so if you enter the place  
And your feeling down we go trying turn the tables all around  
Cos I see you I gbadun you girl I want make you feel me enter the place  
Make we do as a Romeo and Julie do  
Just come party with my friends this Friday  
All the things wey you day like make you know for sure say e go day  
We go make am day happen like say today na everybody birthday  
This kind party you go rock am only but once in a year

Enter the place kon start to day craze  
Make you no go look Uche face oo  
Enter the place just open your mind  
Hook up with the girl with the biggest behind  
Enter the place and wine together  
However where ever  
Enter the place you don't know what you might find

Close your eyes and see  
The wonders of the world from within  
Just like rice and beans  
Every man and woman must blend enter the place  
Your welcome let me get my photo album  
I'd be back in a second enter the place enter the place  
And see through my eyes  
Then you go know if na true or na lie enter the place  
Baby no dulling my phone must be ringing cos your body is calling  
No need to day knock on the door  
Just let that mini skirt drop on the floor  
Sweet music coming from Tubaba and Sound Sultan  
Sweet music scatter the people together jump up and down  
Just come party with my friends this Saturday  
All the things wey you day like make you know for sure say e go day  
We go make am day happen like say today na everybody birthday  
This kind party you go rock am only but once in a year

Enter the place kon start to day craze  
Make you no go look Uche face oo.  
Enter the place just open your mind

Hook up with the girl with the biggest behind  
Enter the place and wine together  
However where ever  
Enter the place you don't know what you might find

Shake what your mama gave you non stop  
Just praise the Lord its level we on top  
Come see we are the cream we are the crum  
Flow we us now na our money you go chop  
Chai see na champagne we day pop  
We day drink am from bottle we no day use cup  
Feel free you soft till you drop  
Kpata kpata if na rock you go rock eh  
Dats why our show e no day flop  
We day dance alanta we day hip we day hop eh  
You go get plenty results you dance pass sulmasalt ehn  
Enter the place and see watergun you go know say AC no be fan  
Enter the place If you dey like you dey yarn make you show say no be your part a yarn  
Enter the place and walk the walk talk the talk make your luck catapult e ei  
Wey you decide to start to dey craze  
And you look Uche face na whatsapp you go talk e ei

Enter the place kon start to dey craze  
Make you no go look Uche face oo.  
Enter the place just open your mind  
Hook up with the girl with the biggest behind  
Enter the place and wine together  
However where ever  
Enter the place you don't know what you might find

Enter the place and see watergun you go know say AC no be fan  
Enter the place and see watergun you go know say AC no be fan  
Enter the place and open your mind mind mind  
Enter the place you don't know what you might find
