One time, let it go

I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass
I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass

Sometimes it's like I need a microscope to look inside your mind, eh-eh
Abi make I hire interpreter to interprete your thinking?
You dey vex dey go, your anger no show
You hold am for mind, how I wan take know? Nawa eh

And you know say me I know be mind reader
See me see wahala, eh

I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass
I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass

Ekute Ile, ire ni ni ka'je
Mo fe te'gun si
Ose, oko, oko omase oso si mi l'enu obu yor si

Oya gimme your love, otutu de
Cover me baby, otutu de o
You know the way we used to dey
Na the thing when I dey want to dey o

Baby, I know I'm not the perfect guy, mama
But if you're waiting for the perfect guy, mama
You go wait 'till the judgment day, mama
Na Jesus Christ na him be the perfect guy, mama

But for the main time
My baby no dey waste time
My baby na my bestie and my boo at the same time

I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass
I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass

I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass
I dey hear everything wey you dey tell me
But na the one wey you no dey tell me na him dey fear me pass

Sweet
