Hmm stop that shii  
No the come the do like fly  
No dey touch your shii  
At the same time my guy gbe body e  
No the le no the fear  
No the be like ole  
Let them know  
All my guys are ballers  
All my guys none of them be hand fallers  
All of them na sharp callers  
And na the way I want make you the show be that  
Because e no matter where you come from  
E no matter who you be  
As long as your brain the function  
Wetin go be must to be

(Even nyash dey important)  
My guy be careful make them no Photoshop greener pastures for you  
(Even nyash dey important)  
Be careful because if you no use person, person go use you

Hmmmm politician moving sha  
I no matter but I see you wan buy me sha  
Election don the come you don the toast me sha  
I no calm but right now you want to calm me sha  
You go dey your corner feeling right  
You no tell them say e dark but them go want to sell you light  
The minute wey you buy am you don sell your human right  
Them go call you bush man just to thief your birth right  
Na who put night no go make you see the light  
Appreciate humble beginning, check your tp before you ride  
The way you are moving you are moving alright  
Don't let them deceive you to join their path  
Because e no matter where you come from  
E no matter who you be

As long as your brain the function
