

# Oh Papa

2Baba

Why do people keep saying  
What they don't really mean  
Like when they tell you say I'm sorry  
They only really want you to forget  
Making empty promises  
That they cannot fulfill  
Like when it comes to really watching your back  
They just can't go for life  
What it is I'm saying  
That you do not understand  
Are you part of the game  
Or is it that you are just part of the plan  
Who should I believe in  
Or should I just blank?  
Like when they talk about a perfect world  
I just say it's not going to be my generation

So right now how I feel inside is what Imma told you, what exactly how I am feeling within  
Right now I put the whole of my trust on only one being  
And that is the Almighty. Holy Father lay your hand on me  
And guide me and protect me from all me enemies

That's why I say, oh papa  
You are the one that I cannot mess with  
I say, oh papa  
You are the one that gives me what to eat  
I say, oh papa  
Make me man a free and you stand me on me feet  
And that is the reason  
Why I am crying unto you right now  
Oh papa eh eh Eledumare

Why do people keep having  
Evil intentions  
Like when they tell you, I want to help you  
They only really want you to owe them  
Making lie-lie sacrifices  
That don't mean a thing  
Cos when it comes to really saving your soul  
They just can't go for that  
What is it I'm saying  
That you cannot comprehend  
Did you do it for the good of it  
Or did you do it cos you wan go heaven  
Who should I believe in  
Or should I just blank  
Like when they say a good turn deserves another  
I say it's always good to be good  
Good to be good

Right now what I'm feeling inside is what Imma told you, what exactly how I am feeling within  
If I do for you, I don't really give a, if you do bad for me  
Cos my father, the Almighty, He provide me with everything I need  
And guide me and protect me from all of me enemies. Hey!

That's why I say, oh papa  
You are the one that I cannot mess with  
I say, oh papa  
You are the one that gives me what to eat  
I say, oh papa  
Make me man a free and you stand me on me feet  
And that is the reason  
Why I am crying unto you right now  
Oh papa eh eh Eledumare

Oh papa, eh  
You are the one that I cannot mess with  
I say, oh papa  
You are the one that gives me what to eat  
I say, oh papa  
Make me man a free and you stand me on me feet  
That is the reason  
Why I am crying unto you right now  
Oh papa eh eh Eledumare

Papa hey, Eledumare  
Papa hey, Eledumare  
Owashaga hey

Thank you, Lord  
Thank you, Father  
Thank you, The Almighty One  
Thank you  
Thank you
