Make nobody come here dey come dey form

I know say no be everybody follow come
And no be every breast wey be silicon
Ehen
Make dem no come dey wash you
And make you do exactly what you wan do
Make you no say I no tell you
Make you no let devil come dey use you
But if I tell you say I love you
Abeg abeg no go turn me to your mugu

That time, 30 billion no go do you
That time, Edumoga no go see you
Ehen
And if I start to dey stress you
Let me know because I no want to vex you
Bottom line, na only you wey know you
The same time you go do wetin wey favour you

Ah ah eh eh….oyi
Alo ma yego ligbo
So make we do de thing jeje, make we do de life show
Eya eh eh…oyi
Alo ma yo otukpo
So just be living ur life and do de thing jeje, life show

If body dey hot you, drink water
No come, come dey form like butter
Because I know say you know say I know you
And no be every dressing go fit you (Ehen!)
Make you no make me mara eh
Attentiveness for my matter eh

I no fit halla
I no fit shout
I no wan make, na me and you dem talk about
And if I tell you say I like you
Abeg no let shakara come dey kill you

That time, 30 billion no go do you
That time, Edumoga no go see you
Ehen
And if I start to dey stress you
Let me know because I no want to vex you
Bottom line, na only you wey know you
The same time you go do wetin wey favour you

Ah ah eh eh….oyi
Alo ma yego ligbo

So make we do de thing jeje, make we do de life show
Eya eh eh…oyi
Alo ma yo otukpo
So just be living ur life and do de thing jeje, life show

Ah ah eh eh….oyi
Alo ma yego ligbo
So make we do de thing jeje, make we do de life show
Eya eh eh…oyi
Alo ma yo otukpo
So just be living ur life and do de thing jeje, life show

Make you dey check yourself

Before you come dey do wetin go cast you
Cause I don try for your matter
Make you butter, make you no dey do pass you
Cause I go do my own and you go do your own
Anything wey remain na bone we go bone
Cause life is too short for debating
Levels too cure for you, na wetin?

Ah ah eh eh….oyi
Alo ma yego ligbo
So make we do de thing jeje, make we do de life show
Eya eh eh…oyi
Alo ma yo otukpo
So just be living ur life and do de thing jeje, life show
