Searching

2Baba

Well, I've been searching for, for true love
Gotta keep ride on searching till I find
And nothing good comes easy, this I know
Gotta keep ride on searching till I find

Yee! eh!, (r-rrichy)
Eh ooouuu, eh ouuu!, ooouuu!
Lee leee, yeh!

I've been searching for a woman
Wey go make all this nonsense to start to dey make sense
I've been searching all kinds of places, yeah!
Stumbled many ladies, different races, yeah
And I almost gave up on love, that my heart feel tired
So many failed relationships got me sick and tired
If no be me, e go be she, but e must scatter
Now I know, Now I know, Now I know I found my forever (Chai)

Omo!, I no fit holla, I no fit shout
Dark Idoma girl, she too get mouth
All her girlfriends, them dey use her for clout
Gentlemen, she dey turn them to tout
Aip'oklobia dudu umu'utonkon kworgba
Ebayo nunu l'lgumale ohigguwooo!
Smile na die, her dance na fire
African queen, Ochanya neeoo!

Hmmm, hmmmmm, hmmmm
Long, long long time ago
I was searching, but I found
You know, el'Ihotu tokanoo...
Emememe ma ne o
Iyawu'ihotu iyawu emema ne
Hmm hmmmm, Ele! Ele! Elelele

Smile na die, her dance na fire

Remember what the holy book said
If you seek, you will find
If you seek, you will find
Well, I've been searching for, for true love
Gotta keep ride on searching till I find
And nothing good comes easy, this I know
Gotta keep ride on searching till I find
Well, I've been searching for, for true love
And I will keep searching till I find
