Smile

2Baba

See the sun in your eyes
Everything that you do I'm in love with it
Loving every laugh I swear
That is why I say, I know I can not hold back on my feelings

Cause The way this girl dey smile
(The way she smile)
She dey bursting my brain
(Bursting my brain)
And no matter what dem say I know *** she dey bursting my brain!
See the way this girl dey smile
(The way she smile)
She dey bursting my brain
(Bursting my brain)
And no matter what dem say I know I would love her eternally

Eh as I dey here so, na only you I see
As I dey here so, na only you fit **darás me
If dem ask you who you help, tell them say you help me
As I dey here so, I no go lie give you o
And if I catch you oo
I will do everything not to let you go
Call it kidnapping I will hold you down
No more wearing no frown
As I dey here so
(Na die I dey)

Cause The way this girl dey smile
(The way she smile)
She dey bursting my brain
(Bursting my brain)
And no matter what dem say I know ** she dey bursting my brain!
The way this girl dey smile

She dey bursting my brain
(Bursting my brain)
And no matter what dem say I know *** she dey burst my brain
