

## Target You

2Baba

I no go lie I dey see you too  
It all depends on what you want do  
No pretend make you just stay true  
As e dey do me na so e dey do you  
I no go lie I dey hala everyday  
I wonder why you no dey look my way  
Abi e get something wey I never do  
Abi you want make I somersault too  
Abi you get another pattern wey I never know  
Make you tell me make I do the needful  
Life is too short baby report  
Later me and you be our life support

I don't want to be unfaithful  
(Abi you never know)  
See I just wanna be simple lover  
(Na so the thing go)

E get why I dey target you  
You different from all of your crew  
E get the way you dey look me too  
And that is why I dey suspect you  
I know you want us to break bread  
I know you want to know wetin dey my head  
See this song I want it trending  
And it could be peaceful too

Oya baby kaikai make we link up  
Make ojukokoro people no con dey snatch us  
I guarantee you I go always defend us  
As I go love you e go make people jealous  
I just wan roll just me and you eh  
Forget whatever them do you  
Abi you get another pattern wey I never see  
Anyhow you want am I gat you and me

I don't want to be unfaithful  
(Abi you no go like to know)  
See I just want to be a simple lover  
(NAh no let the thing go)

E get why I dey target you  
You different from all of your crew  
E get the way you dey look me too  
And that is why I dey suspect you  
I know you want us to break bread  
I know you want to know wetin dey my head  
See this song I want it trending  
And it could be peaceful too

Na Peaceful chilling around my way  
Good good loving for you all the way  
Abi e get another pattern wey you wan see  
Make you tell me make I show you for free

I don't want to be unfaithful  
(I don't want to be that for sure)

See I just want to be a simple lover  
(Baby let this love flow)

E get why I dey target you  
You different from all of your crew  
E get the way you dey look me too  
And that is why I dey suspect you  
I know you want us to break bread  
I know you want to know wetin dey my head  
See this song I want it trending  
And it could be peaceful too

E get as you dey do me  
E get as you dey do me  
Eeh hen  
E get as you dey do me
