

# afraid

2hollis

Ayy, yeah, huh  
Ayy, ayy, ayy, ayy (I just love this), let's go

What do you feel when you're afraid? Uh, ah  
Does everybody feel the same? Uh  
How do you deal with change? Adjusting to fame?  
I got hit by a plane, uh (By a plane)  
What do you feel when you're awake? Uh  
I'm tryna not make a mistake again  
Yeah, how do you deal with change? Adjusting to fame?  
I told God I'm insane  
He told me, "Shut up and laugh and love it"

I, I love it  
I got one ques- I got one-  
I got one question for you, for you, for you  
What do you feel when you're af-?

What do you feel when you're afraid?  
Hey, yeah, yeah  
Ayy, ayy, ayy, ayy (I just love it), let's go  
What do you feel when you're afraid? 'Fraid?  
Hey, h-h-hey

No need to worry 'bout a thing, girl, it'll be fine  
We'll keep it riding on the same road every time  
Can you open your eyes? Why don't you open your eyes?  
Hey, hey, hey  
Well, you know this, I can't control it  
Losing your focus, you're wishing and hoping that it was me, yeah  
Do you feel right when I'm gone? Do you hear me in this song?  
Is it wrong? Is it wrong? Is it wrong-wrong-wrong?  
Wrong, wr-wrong, wrong  
Wr-wrong, wrong, wrong  
Wrong, wr-wrong, wrong  
Yeah-yeah

What do you feel when you're afraid? Uh, ah  
Does everybody feel the same? Uh  
How do you deal with change? Adjusting to fame?  
I got hit by a plane, uh (By a plane)  
What do you feel when you're awake? Uh
