

## all 2s

2hollis

You know  
You know (Yeah)  
Two, two (Two, two)  
A-all twos  
Y-you kno-o-ow

You know, you know (Yeah)  
Girl, tell the truth (Go to the light, I catch it like Mizuno)  
Two, t-two (Co-come on, co-come on)  
Co-come on, oh no  
Oh no, all twos (Two, two)  
All twos, a-all two

Yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah  
All twos (All two-)  
Yeah, yeah  
Yeah, yeah, yeah  
Yeah  
All twos (All twos)

Can you trust God? I'm throwing up the raws  
I'm taking everything I needed now (Hey)  
I'll fuck you up, fuck you all up  
But I'm not like you, when I fell down, bitch, I got up

You can't look at me, I'm not who you think  
You think you're my friend, but you're an enemy  
Burn the evidence, all twos on me  
You told me a lie, I told you like three

Uh, am I crazy? Is this what it means? (Two-two, co-come on, co-co-come on)  
Uh, I can see it right in front of me (C-c-come on, c-come on)  
I'm a God, I stay right under three (Two, two)  
Give it back to me, no, give it back to me

Can you trust God? I'm throwing up the raws (Hey)  
I'm taking everything I needed now  
I-I'll fuck you up, fuck you all up  
But I'm not like you, when I-, got up (All two)  
I (2) see you right in front of me  
I'm a God, stay right under three  
Give it back to me, no, give it back to me
