

We were kids back then and I know you wish we never did what we did, but oh well

I guess you'll live and learn

I'm counting pennies, going to the city

It's good fun, but it sure ain't pretty

We know, we know how to fall (We know how to fall, yeah)

But I'm goin' upstate, for a few days

And you should come, but don't be late

Guess I'm back in my ways, I'm back to your face

I know I shouldn't, but can I stay?

We can do the cliché, I'll buy a bouquet

Sit down at cafés, make out in the rain

It might not ever be the same, but I'm down for the game, I'm down for the game

We can do the cliché, I'll buy a bouquet

Sit down at cafés, make out in the rain

And it might not ever be the same, but I'm down for the game, I'm down for the game

We can do the cliché, I'll buy a bouquet

Sit down at cafés, make out in the rain

And it might not ever be the same, but I'm down for the game, I'm down for the game

Uh, I'm down for the game

You play with me once, you play with me twice, too much

You play with me once, you play with me twice, too much

You play with me once, you play with me twice, too much

I had a dream last night, in the dream I said "I love you" for the first time

I hope it's alright (Ooh)

Yeah, I'm fine

Chainsmokin', heart broken open (Oh no)

Can't say I own it if I stole it (Oh no)

Clothes soaking, heart racing open (Oh no)

Can't say I know you in this moment (Oh no)

Chainsmokin', heart broken open (Oh no)

Can't say I own it if I stole it (Oh no)

Clothes soaking, heart racing open (Oh no)

Can't say I know you in this moment (Oh no)

We can do the cliché, I'll buy a bouquet

Sit down at cafés, make out in the rain

It might not ever be the same, but I'm down for the game, I'm down for the game

We can do the cliché, I'll buy a bouquet

Sit down at cafés, make out in the rain

And it might not ever be the same, but I'm down for the game, I'm down for the game

(Down for the game, down for the game)

(I'm down for the game, I'm down for the game)

(I'm down for the game)

Oh, oh
