

In that very moment
I would feel no, no pity or remorse (I'm here, I'm here)
I'd feel no sadness
In that very moment, doing what I did (2)
In that very moment (Who the fuck are you? Who the fuck are you
?)
I wouldn't care if you died
(I don't, I don't even know you anymore)
I wouldn't care
I'm serious (Fuck)

Huh, price tag, huh
Price tag
Yeah, price tag
Price tag, price tag
