

# FORFEIT

2hollis

Done, two

For-for-for-forfeit, forget your left (It-it gets scary, I-I left in the night-I-I-I)

Mist ridge, hallway, regrets (They're all dead, they're all dead)

Uh, sore voice, all boys, no rest, uh, ayy, a-ayy  
I saw, t-threw far, the end, ayy

You-you-you-you took a part of me, a party make-believe (Done)  
You-you-you-you are not hard to read, I'm dying honestly (Yeah)  
(Uh-huh) I give it all to you, girl, I give it away to you (Uh-huh)

She said, "I'll wait for you to make it true"  
I g- I gotta run, girl, I've been on the move  
Run with me, baby, we'll be on the news (Ah-ah-ah)  
W-w-whatever you want, girl, I'll make it true  
We win, we never lose, we never win, we always lose

(Yeah, you'll always lose)  
(Nah, you'll never win, nah, nah)  
(Nah, yeah, I, I never, I never lose, I always win)  
(You never win, we never lose)  
We always win, we never lose  
Never, never, never lo-o-  
We-we never win, we always lose  
Lose

For-for-for-forfeit, forget your left (Ah-ah-ah)  
Mist ridge, ha-hallway, regrets, ah  
Sore voice, all boys, no-no rest, uh, ayy, ayy  
I saw, th-threw far-ar, the end, ayy
