

i do

2hollis

2, 2, 2, 2, 2
No me, no you
Poison to bloom
Kiss me, fuck you
Trust God, I do
I do, I do, I do, I do

Stop, put the section into rot
Got with the Fathers on my arms
Caught what you felt like you were done
Trust God, I do, I know, I saw
Smoke in the air, it's falling down
You on my mind, I can't get out
Store me away, got off the lot
White Tiger, trust, I do, I saw-aw

Uh-uh-uh, uh-uh-uh-uh-uh
Uh-uh, uh-uh-uh-uh-uh-uh
Uh-uh-uh-uh, uh-uh-uh
Uh-uh-uh-uh-uh-uh
Uh-uh-uh, uh-uh-uh-uh-uh
Uh-uh, uh-uh-uh-uh-uh-uh
Uh-uh-uh-uh, uh-uh-uh
Uh-uh-uh-uh-uh-uh

Tell me you hate me without saying it
You say you love me, but you're faking it
I know that face, it's not hard to see
Pick me apart, share a part of me

Trust God, I do, I know, I saw
