it will never be the same

2hollis

I could change
But it will never be the same
But it will never be the same
But it will never be the same, oh
I could cry a million tears tonight (Uh, you bring me up so high)
Could cry a million tears tonight (Girl, c'mon, uh, so high)
A million tears tonight (One more time, girl, come on)

Yeah, come on, let's keep goin'
Push it, let's go (I'm pushin' up, c'mon)
Keep goin', I'm goin' (I'm throwin' up) Yeah
Come on, keep goin', go (I'm burnin' up)
Don't stop, uh (Ah)
But baby, I'm the one you need to know (Let's go)
And baby, you're the one that makes me show it, uh
And baby, you're the one that makes me breathe
All night, girl
Gimme the one time to prove it to you, nah
Uh, whoo, let's go, let's- Uh

Where do you run when you've ran out of love? (Uh)
I kiss my baby, then I head to the club, uh (I'm fuckin' up)
I'm fuckin' up, uh, uh (You make me blush), girl
I'm fuckin' up, girl, (Yeah, yeah, yeah)
Just give me one more (Chance, chance)
Who can I trust when I put on a rush? Uh
You call me crazy, baby, I call it love
Fall from above, uh, come on
Girl, who can I trust?
Who can I trust?

I could change
But it will never be the same
But it will never be the same
But it will never be the same, oh
I could cry a million tears tonight
Could cry a million tears tonight
A million tears tonight

Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh-ooh
Oo-oo-ooh

Guess it's back to the mask, married to glass
Got a past that we had, toss in the trash
Crave the touch of your hands, I went too fast
God, I fucked up, God, I fucked up
God, I let go, when you held on
Who am I anymore? What the fuck have I become? I don't know

I don't know
What the fuck have I become?
What the fuck have I become?
I used to be someone, but now I fucked it up

```
I thought I was in love
I let it go to waste
I made a mistake
I'll say it's okay
I guess it's okay
But I'll move on, I'll move on, I'll move on
I guess you're the one that gets away
She's getting away, she's getting away
She's getting away
She's getting away, fuck
Fuck
```

I thought I was in love
I let it go to waste
I made a mistake
I'll say it's okay
I guess it's okay
But I'll move on, I'll move on, I'll move on
