

We can go side to side
 Eyes wide shut, I assume you're lookin' at me
 We can go low to high
 Let's have fun, treat it like nobody else can see
 I could be mean tonight, ooh, but that's not what I'm tryna be
 Yeah, I could be mean tonight, no, uh

I'm tryna be nice, I'm tryna be nice
 I'm tryna be- hey, I'm tryna be nice
 I'm tryna be- (Nice), I'm tryna be nice
 I'm tryna be- hey, I'm tryna be nice

I'm tryna be- I'm tryna be nice
 I'm tryna be- hey, I'm tryna be nice
 I'm tryna be- (Nice)

Remember when I called your bluff? Told you, "Shut up, just quit it" (Shh)
 Remember when I grabbed my shit? I said no byes, I'm dippin' (Hey)
 Remember when I said I changed, I'm new, I'm here, I'll listen (Haha)
 I know all this shit so mean, but I'm really tryna fix it, fix it

We can go side to side
 Eyes wide shut, I assume you're lookin' at me
 We can go low to high
 Let's have fun, treat it like nobody else can see
 But I could be mean tonight, ooh, but that's not what I'm tryna be
 I could be mean tonight, no, uh

I'm tryna be nice, I'm tryna be nice
 I'm tryna be- hey, I'm tryna be nice
 I'm tryna be- (Nice), I'm tryna be nice
 I'm tryna be- hey, I'm tryna be nice
 I'm tryna be-
 Nice
 I'm tryna be-
 N-n-nice
 I'm tryna be- hey, I'm tryna be nice

Nice
 I'm tryna be- I'm tryna be nice
