

safe

2hollis

I lit a flare in you
Autumn drunk, kissing all your makeup off
Said I won't, said I won't tell no one
But I said I won't (Ayy)

Double my age, kissin' my face
Grab on the reins, how does it taste?
I'm so afraid, I'm so afraid (Tell me that I'm safe)
Just tell me I'm safe (Tell me that I'm safe)
Just tell me I'm safe (Tell me that I'm safe)
Just tell me I'm safe
Just tell me I'm safe (Ooh)
Just tell me I'm safe
Come and take your mask off me
Come and take your mask off me (Come on, come on)
Come and take your mask off me (Come on, come on)

Come on, come on
Write me a note on the back of my credit card
Take a look at the sun and realize what we've done
Kiss up the night (Come on, come on)
Make things right (Come on, come on)
Just take out my face and move your life (Come on, come on)
Cut that, I won't like, no (Double my age, oh yeah)
Double my age, kiss on my face
Tell me I'm great (What are you so afraid of?)
I'm so afraid (I'm so afraid, uh)
I'm so afraid (Tell me that I'm safe, uh)
Just tell me I'm safe
Just tell me I'm safe
Just tell me I'm-

Tell me I'm safe, yeah (Safe)
Tell me that I'm safe, uh
Tell me that I'm safe, uh
Just tell me I'm safe (Tell me I'm safe, uh)
(Tell me I'm safe, uh)
(Tell me that I'm safe, uh)
(Tell me that I'm safe)
(Tell me that I'm safe, uh)
(Just tell that me I'm safe)
(Tell me I'm safe, uh)
(Just tell me that I'm safe, uh)
(Tell me that I'm safe)
(Just me that I'm safe, uh)
(Just tell that me I'm safe)
