

## **say it again**

**2hollis**

Uh, so are we just friends?  
I take no offense, uh  
You wanna know what's next?  
I can't lie, that kinda depends on if you say it one more time  
for me  
I know you love me best (I love you too)  
Want you to say it again  
Want you to say it aga-

Why don't you say it again?  
Why don't you say it again?  
Why don't you say it again? (Ah)  
Why don't you say it again?

(Say it again)  
(Say it again)  
(Say it again)  
(Say it again)  
I want you to say it again, and again  
And again, and again  
I want you to say it again

I know you watch me, stalk me, want me  
Catch you staring, "Sorry"  
You know I'm cocky, obviously  
You can't get what you want, so you blocked me

Uh, so are we just friends?  
I take no offense, uh  
You wanna know what's next?  
I can't lie, that kinda depends  
(Why don't you say it again?)  
Want you to say it again  
Want you to say it again

Why don't you say it again?  
Why don't you say it again?  
Why don't you say it again? (Ah)  
Why don't you say it again?  
(Why don't you say it again?)  
Say it again

One, two, three
