

I'm coming home
I want you to be ready for me
I'm on your phone
While you get ready, getting pretty for me (Shh, you're so fucking pretty)
Now we're all alone
I want you to see what you can do to me (Goddamn, girl)
You're one of one
We're on the run, but you'll be safe as long as you're with me (Goddamn, girl, here we go)

So fast, I guess that's just the way that we are
Girl, so fast
All glass
Girl, do you really even know who you are?
Whiplash
Kiss you back
Girl, would you still love me if I played all my cards?
Heart attack
Whiplash, whiplash, whiplash
My baby's comin' right back (My baby's comin' right back)

They say it's wrong
I say fuck 'em, baby, it's you and me (Fuck 'em, baby)
I made it home
Now no more wishing baby I'm yours for keeps (Girl you're all for me)
And when I go on
I want you to watch me baby girl watch and see
How I do it (Just watch it)
Just watch how I do it, just watch how we're moving (Girl, so damn fast)

So fast, I guess that's just the way that we are
Girl, so fast
All glass (Girl, do you really)
Girl, do you really even know who you are?
Whiplash
Baby, come right back
Girl, would you still love me if I played all my cards?
Heart attack
Whiplash, whiplash, whiplash
My baby's comin' right back (My baby's comin' right back)

My baby's comin' right back, my baby's comin' right back
My baby's comin' right back, my baby's comin'
Right back, back (B-b-back)
Back-back, b-b-back, back (Back, back)
Girl, I'm comin' right back (Ayy)
Whiplash, my baby's comin' right back, back, right back (Ayy)
So fast
I-I-I guess that's just the way that we are
My baby's comin' right back
