Go crazy, now that it's Friday night
Can't sleep til 12, everyone's calling me
Go crazy, is it night or what?
The streets and in clubs are full of girls

Your attractive scent, your moves
Your eyes drive me crazy
Whisper in my ear
Your voice takes my breath away ha ha...

Go crazy, tonight
We are determined to go nuts
Just for one night, go all out
Go crazy...

Crazy people (crazy!)
Go crazy! (go crazy!)
Go crazy! (go crazy!) go crazy!
Crazy people (crazy!)
Go crazy! (go crazy!)
Go crazy! (go crazy!) go crazy!

Go crazy, it's still not over
This guys is getting ready for round 2
Go crazy, all these people
All together, all as one, going crazy

Everybody just drop it like it's hot
It's better together
Too early to wake up
From this misty trance
Energy is the gift of youth
Distress is the poison of youth

No tomorrow, no day, but today

Go crazy, tonight
We are determined to go nuts
Just for one night, go all out
Go crazy...

Crazy people (crazy!)
Go crazy! (go crazy!)
Go crazy! (go crazy!) go crazy!
Crazy people (crazy!)
Go crazy! (go crazy!)
Go crazy! (go crazy!) go crazy!

See all their gestures
The voices of the youth
My heart is getting hotter
Going crazy baby

Clap your hands everybody
Everybody gettin' all crazy
Clap your hands everybody
Everybody gettin' all crazy

Clap your hands everybody
Everybody gettin' all crazy
