

## Side Bitches

2Rare

Closer than I've ever been (Oh-oh)  
Tryna get wasted with you and (Oh-oh)  
But I'm scared to fall in love again  
Scared to fall in love again (Come on, yeah)  
Scared to fall in love again

I got side bitches, got straight women  
Got no type like a nigga Rae Sremmurd  
Niggas thinkin' they hot 'til them niggas roll with 'em (Ah)  
Even though we don't watch, we still tip strippers  
We get kicked out, watch an okay hitter  
Niggas be so hurt 'cause we don't fuck with 'em (Woah-oh)  
Get money from the day to the night, from the AM to the PM  
Know my body so they No I.D. him  
Rake the money up, so you know we OD  
Thinkin' my money broke, but the shirt wifebeaters (Ooh-ooh)  
Ain't wanna do it to 'em (Ooh-ooh)  
This shit be all over, the fluency  
We could've built an empire like [?]

Side bitches be fucking that money up  
I got dead faces, illegal, in that casket closed  
I'm with my brothers, but I do got all blue hundreds  
Niggas see me in public, he ain't, he gon' doubt it (Woah)

Scared to fall in love again  
Scared to fall in love again  
Scared to fall in love again  
Scared to fall in love again  
Scared to fall in love again
