

## Better Life

3 Doors Down

I'm about to be on the floor again,  
Surely you're gonna find me here  
I'm about to sleep until the end of time,  
Drug I take gonna wake  
My fear right now

I'm passing away on to the  
Better life  
I'm passing away on  
To the better

I'm about to see just how far I can fly,  
Surely your gonna break my fall  
I'm about to run as fast as I can,  
Head long into that wall

This time I'm passing away on to the  
Better life  
I'm passing away on  
To the better  
On to the better life  
On to the better

I'm about to be on the floor again,  
Surely you're gonna find me here  
I'm about to sleep until the  
End of time, drug I take  
Gonna wake my  
Fear right now

I'm passing away on to the  
Better life  
I'm passing away on  
To the better  
I'm passing away on to the  
Better life  
I'm passing away on  
To the better
