2. While I was having the time of my life
I think my soul died a little every day
I always called to say I'm sorry you said it's okay
But you should be through it all - you never walked away

R: But I didn't have to lie to myself for so long
I didn't have to let myself get so far gone
I didn't have to make the ones I love feel so alone
I didn't have to die to go to heaven
F#
- I just had to go home

R: But I didn't have to lie to myself for so long
I didn't have to let myself get so far gone
I didn't have to make the ones I love feel so alone
I didn't have to die to go to heaven
