

Runaway

3 Doors Down

B Es D Cm
Do you ever think about running away
B Es G Cm
'cause I was thinkin' about leavin' today
B Es D Cm
We'll follow forever where our hearts wanna go
B Es G Cm B Es D Cm
Maybe we'll live somewhere where nobody knows our names
B Es G Cm
Then things might change for the good

Cm As Es As B Bsus4 B Bsus4
I wanna be somewhere so far away
Cm As Es As B Bsus4 B Bsus4
To lie under the night at the end of another good day
Cm As Es As B Bsus4 B Bsus4
I can't tell you how long we'll be gone
Cm As Es As B
But as long as we're together then forever's never too long
Too long, oh no

Do you ever think about not comin' back
Hoppin' on a train and we'll burn up the tracks
We'll jump off somewhere that we don't know how to say
Maybe hitch a ride from someone who can tell us the way
To where these things might change for the good

Cm As Es As B Bsus4 B Bsus4
I wanna be somewhere so far away
Cm As Es As B Bsus4 B Bsus4
To lie under the night at the end of another good day
Cm As Es As B Bsus4 B Bsus4
I can't tell you how long we'll be gone
Cm As Es As B
But as long as we're together then forever's never too
As B C B C Es C B
Where forever is never too long
C B C Es C B
Not with you right here by me
C B C Es C B
Maybe, maybe we'll just see
C B C Es C B
Where this road will lead for us

I wanna be somewhere so far away
To lie under the night at the end of another good day
I can't tell you how long we'll be gone
But as long as we're together then forever's never too
I wanna be somewhere so far away
To lie under the night at the end of another good day
I can't tell you how long we'll be gone
But as long as we're together then forever's never too
Forever is never too long
