

## She Is Love

3 Doors Down

She walks through the city  
No one recognizes her face  
They don't want her pity  
No one ever mentions her name  
She's carried the broken  
But their scars have no name in her heart  
'Cause she walks in forgiveness  
She'll shine like a light in the dark

She is love  
She is love  
She is love  
She is love

She'll always remember  
The days when they welcomed her here  
They know if they need her  
She made a promise to always be here

She is love  
She is love  
She is love  
She is love

When they are weak she will always be strong  
Though they don't know it they're never alone  
No matter how many times they may leave  
It's never hopeless 'cause she still believes

She is love  
She is love  
She is love  
She is love  
She is love  
She is love
