

## All The Time

### 3 Feet Smaller

When everything was said and done . When you hear songs.  
That remind you of the times you've shared with him. And when you  
think your losing everyone.  
Then i'll be there for you  
Everything went oh so wrong in all the time . I don't think that  
you carry on what he has got say  
You think your life has no sense anymore  
Cuz he is far, gone and i don't think he will come back.  
But i will always be there to help you .  
Cuz that's what friends are for.
