

hey buddy how are you?  
i just thought of you  
and all the things we wanted to do  
but one day we'll catch upon everything  
and till that i keep missing my best friend that i ever  
had

Ref.: now i know how it feels to be all alone  
who holds my hand when everyone's gone?  
i'm crying out loud when i walk through the rain  
i can't wait to see you in heaven again...again  
my room's wall is papered with the pictures we've made  
to make sure that my memory of you won't fade  
your on dying i'll thought you're gone  
the world still belongs to you and keeps movin on

Ref.: now i know how it feels to be all alone  
who holds my hand when everyone's gone?  
i'm crying out loud when i walk through the rain  
i can't wait to see you in heaven again  
how could I forget your smile?

maybe from time to time  
you come by and say hi  
and never again goodbye ...goodbye

Ref.: now i know how it feels to be all alone  
who holds my hand when everyone's gone?  
i'm crying out loud when i walk through the rain  
i can't wait to see you in heaven again...again
