

Break Up

3 Feet Smaller

I celebrate with a tube full of cocain
Blone whores in skinhead outfits turn me on
Spank me all night long
I know I'm a bad influence
Worse than Charles Manson
So break up with me
Just break up with me
Who loves Gonorrhoea like me
Let's face the fact
I'm a Maniac
I know I'm a bad influence
Worse than Charles Manson
So break up with me
Just break up with me
