

Vienna Chainsaw Massacre

3 Feet Smaller

as long as a band plays in front of 10 people
they're cool and you're their biggest fan
but if this scene is all about being underground
leave us out or we'll voluntarily back out
this is my life. this is my way
everday's my day. i'm the allmighty
we have no credibility, that's what you say
but what's more credible than doing what we want?
pain/fame/punk/no/musician/yo
you can't stop my potty mouth
this is my life. this is my way
everday's my day. i'm the allmighty
tell me what i should do and be sure i do the opposite
a reorganisation's what we need, shup up go suck a dick
i don't need political messages to play a damn good show
the way i feel/think/love and hate is something you'll
never know
this is my life. this is my way
everday's my day. i'm the allmighty
this is my life. this is my way
everday's my day. i'm the allmighty
this is my life. this is my way
everday's my day. i'm the allmighty
