

Broadway Alien

3

He can't get in
He can't get out
It starts to spin
He rounds about

So you're leaving town
I watch you turn the bend
But the earth is round
You'll be back again

The name of us is this, my love
We gotta get out of here
Methinks the end is near
We gotta get out of here
Methinks the end is near

The name of us is this: Broadway alien
The game is to exist
Because we can
The name of us is this: The alien
The game is to exist at all, my love

Hahahahaha

A domicile, but the truth remains
She picks apart my brains
Oh so strange
We gotta get out of here
Methinks the end is near

The name of us is this: Broadway alien
The game is to exist
Because we can
The name of us is this: The alien
The game is to exist at all, my love

(So you're leaving town)
So you're leaving town
(Watch you turn the bend)
Watch you turn the bend
(But the earth is round)
But the earth is round
(You'll be back again)
You'll be back again

Wake up, and let's get out of here
Methinks the end is near

The name of us is this: Broadway alien
The game is to exist
Because we can
The name of us is this: The alien
You know the game is to exist at all, my love
My love
My love
My love

The name of us is this: The alien
The game is to exist at all, my love
