

# Hurricane

30 Seconds To Mars

No matter how many times that you told me you wanted to leave  
No matter how many breaths that you took you still couldn't breathe  
No matter how many nights that you'd lie wide awake to the sound of the pois  
on rain

Where did you go  
Where did you go  
Where did you go

As the days go by the night's on fire

Tell me would you kill to save a life  
Tell me would you kill to prove you're right  
Crash crash  
Burn let it all burn  
This hurricane's chasing us all underground

No matter how many deaths that I die I will never forget  
No matter how many lies I live I will never regret  
There is a fire inside of this heart and a riot about to explode into flames  
Where is your God  
Where is your God  
Where is your God

Do you really want  
Do you really want me  
Do you really want me dead or alive  
To torture for my sins  
Do you really want  
Do you really want me  
Do you really want me dead or alive  
To live a lie  
Tell me would you kill to save a life  
Tell me would you kill to prove you're right  
Crash crash  
Burn let it all burn  
This hurricane's chasing us all underground

The promises we made were not enough  
The prayers that we had prayed were like a drug  
The secrets that we sold were never known  
The love we had the love we had  
We had to let it go

Tell me would you kill to save a life  
Tell me would you kill to prove you're right  
Crash crash  
Burn let it all burn  
This hurricane's chasing us all underground

This hurricane  
This hurricane  
This hurricane

Do you really want  
Do you really want me  
Do you really want me dead or alive  
To torture for my sins

Do you really want  
Do you really want me  
Do you really want me dead or alive  
To live a lie
