

Stuck

30 Seconds To Mars

I've been lost in your eyes all afternoon
The more I drift, the closer I get to you

She's a ghost and the truth, it's impossible
But I love her lies
You make sure I don't find somebody new

It's the way you move
It's the way you move
Ooh, ooh-ooh
I knew I'd stay with you after just one touch
The way you move has got me
Stuck
Stuck
Got me
Stuck
Stuck
Got me
Stuck

I was lost and then found inside of a dream
Runnin' 'round in a circle, tryna believe

She's a ghost and the truth, it's impossible
But I love her lies
You make sure I don't find somebody new

It's the way you move
It's the way you move
Ooh, ooh-ooh
I knew I'd stay with you after just one touch
The way you move has got me
Stuck
Stuck
Got me
Stuck
Stuck
Got me
Stuck

Ram-dam, da-da-da, dam-dam
Ba-da-da-da-da, dam-dam
Ba-da-da-da-da, dam-dam-dam
Ram-dam, da-da-da, dam-dam
Ba-da-da-da-da, dam-dam
Ba-da-da-da-da, dam-dam-dam

It's the way you move
It's the way you move
Ooh-ooh, ooh-ooh
I knew I'd stay with you after just one touch
The way you move has got me
Stuck
(Ram-dam, da-da-da, dam-dam-dam)
Got me, got me stuck
(Ba-da-da-da-da, dam-dam)
(Ba-da-da-da-da, dam-dam-dam)

Got me, got me stuck
(Ram-dam, da-da-da, dam-dam-dam)
Got me, got me stuck
Da-ba-da-da-da-da
(Ba-da-da-da-da, dam-dam)
(Ba-da-da-da-da, dam-dam-dam)
Got me, got me stuck
