My fashion different, bag so long
Kickin' shit like Barcelona
Designer shades, these Saint Laurent
Told her, "We won't last forever"
Told her, "This won't last for long"

Forward, back, forward, back (To the front)

Ayy, black-on-black whip, fuckin' up the track
Niggas goin' everywhere, but can't go rack for rack (Rack for rack)
I can't get too attached, I've seen this before, it's way too exact (Phew)
Bitch, I'm ballin', I'm dunkin' like Shaq (No cap)
New girl, won't treat her like my last (I tell you)
They love my fashion, they love what I'm in (Love-love what I'm in)
Check the score (Check), was just down ten (Just-just down ten)
I told coach, "Put me in the game if you wanna win" (If-if you wanna win)
This real life, it's not no game, we don't pretend

Forward, back, forward, back (To the front)
Forward, back (To the front), forward, back (To the front)
Forward, back (To the front), forward, back (To the front)
Forward, back (To the front)
To the back (Forward, back), to the back (Forward, back)
To the back (Forward, back), to the back (Forward, back)
