She fell in love with my vibe, been around me for too long (You lied)  
She in the car with her friends and they singin' my songs (What?)

She wanna keep it lowkey, she don't wanna rush (Okay)

I don't talk, I just show, I don't say too much (Shh)  
Baby, cut your friends off, they talk way too much (Talk way too much)

When we met, she was quiet, yeah, she that type (Yeah)  
She said I was a lil' too much I live the fast (Uh-huh)  
That's right (What?), yeah, that's right (Baow)  
But it's okay, because when I'm gone, I'ma get my bag right

Them times when we not talkin', man, they hurt me the most
