Long time did I run down like that I would have three years ago-today but not now It's not like that

It's all right to feel good
It's all for nothing to be wrong
The deepest dream that we have
Could be tomorrow's song

Long time did I run down like that I would have three years ago-today but not now It's not like that

It's all right to feel good
It's all for nothing to be wrong
The deepest dream that we have
Could be tomorrow's song

Just what did he say stop 1 and 2 and 3 Run up the hill do as you do I'm going to chill you know you really Ought to do the same They wanna bug you But I won't let them today It's a sure shot to the bomb drop Every single You know you swing it and you fling it And you make some shit up but It's just 123 oh And you don't stop What you need guaranteed The deepest dream we have could be
