

Don't you worry, I'll cover your tracks
Help you see beyond the black
Don't you worry I'll cover your tracks
Help you get your sanity back

Don't you worry
I'll figure it out
Figure it out
Need to know just
What it's about
What it's about
(What it's about)
Don't you worry
I'll pull you through
Pull you through
I will find a
Way to reach you
Way to reach you
Everything that has a beginning

Has an end

Help you get your sanity back
Don't you worry I'll cover your tracks
Help you see beyond the black
Don't you worry I'll cover your tracks
Help you get your sanity back
Don't you worry I'll
Help you see beyond the black
Don't you worry I'll
Help you get your sanity

Don't you worry I'll find a way
Don't you worry I'll find a way
