

# Dancing In My Room

347aidan

Ah, yeah, na-na, na-na, yeah  
Na, na-na, na-na-na-na, na-na (Ahh)  
Damn, Aidan, what you up to, bro?  
What you been up to, Aidan? Yo, yeah, I been

Dancing in my room, swaying my feet  
Tryna give you love and a kiss on the cheek  
Cotton candy skies like I'm stuck in a dream  
And I've been feeling blue, you're the one that I need  
Dancing in my room, swaying my feet  
Tryna give you love and a kiss on the cheek  
Cotton candy skies like I'm stuck in a dream  
And I've been feeling blue, you're the one that I need (Yeah)

And baby, yeah, you give me reasons  
Just to fight all of my demons  
Yeah, I love it when you're speaking  
'Cause you silence all my feelings  
That feeling that I'm not okay  
And everyone will run away  
And leave me in my room (Room)  
Alone for just another day  
I'm sippin' on some lemonade  
I wonder if you'll ever change  
Fuck it, I don't even care  
Baby, just go and ride my wave

Dancing in my room, swaying my feet  
Tryna give you love and a kiss on the cheek  
Cotton candy skies like I'm stuck in a dream  
And I've been feeling blue, you're the one that I need (I been)  
Dancing in my room, swaying my feet  
Tryna give you love and a kiss on the cheek  
Cotton candy skies like I'm stuck in a dream  
And I've been feeling blue, you're the one that I need  
Dancing in my room, swaying my feet  
Tryna give you love and a kiss on the cheek  
Cotton candy skies like I'm stuck in a dream  
And I've been feeling blue, you're the one that I need (Yeah)

She's a very pretty girl  
In a very shitty world  
She got records on the wall  
And a necklace made of pearls  
She's an angel to my nightmares  
Passage through my night scares  
Whenever you are down (Down, down)  
Just know that I'll be right there

Dancing in my room, swaying my feet  
Tryna give you love and a kiss on the cheek  
Cotton candy skies like I'm stuck in a dream  
And I've been feeling blue, you're the one that I need  
Dancing in my room, swaying my feet  
Tryna give you love and a kiss on the cheek  
Cotton candy skies like I'm stuck in a dream  
And I've been feeling blue, you're the one that I need
