

Cigarettes and Adderall
Poison and I'll have it all
Tripping so I built a wall
I'm panicking but I won't fall

Late night, phone buzzing on the nightstand
I was way too drunk to pick up then
New drugs, where the fuck did it take us?
So high I don't think that I'll wake up
Can't speak 'cause I know that I'll choke up
Blood in the sink, yeah, I'm swimming in this fake love
Fake trust, remember when she died off the fake drugs
And I lost hope that anyone would save us

Na, na-na-na-na
Na, na-na-na-na
Na, na-na-na-na
Na, na-na-na-na

Don't go, don't leave, I'm just a kid who's in the wrong path
We don't even gotta talk, fuck the chit-chat
I'm just scared 'cause I always start to backtrack
And everything been good so I'm worried I'ma miss that
Let's just talk about the things I put into the past
Woke up, wonder where the noose is at
Blood from my wrist and my vision fade to black
Matter fact, I might even need a map
Just to find all the things that I hide with a laugh
Cause that hides it right?
Yeah

Cigarettes and Adderall
Poison and I'll have it all
Tripping so I built a wall
I'm panicking but I won't fall

Late night, phone buzzing on the nightstand
I was way too drunk to pick up then
New drugs, where the fuck did it take us?
So high I don't think that I'll wake up
Can't speak 'cause I know that I'll choke up

Na, na-na-na-na
Na, na-na-na-na
Na, na-na-na-na
Na, na-na-na-na
Na, na-na-na-na
Na, na-na-na-na
Na, na-na-na-na
