

Yeah, yeah, yeah, yeah, yeah

Love is all, love is all the same
Why would I expect to see it changed?
When every time I hold onto the blame
It means nothing to nobody anyway, yeah
There might be some static in my brain, yeah
Losing all the features on your face
Your face, yeah
I am just a man without a name, yeah

A man who's always out of touch
Can't feel you like I feel my drugs
My skin is crawling, gonna buzz
And all because I felt a bug
Welcome to the maybe club
Maybe I will fall in love
Or maybe I'll just turn to blood
Second that I see you, huh?

We can build a world we love
Nobody in the sky but us
I told you that I quit my job
Those dishes were not paying off
I guess I hit my final stop
It's time for me to be a boss
I went and told my fucking boss
My whole life has been blasting off
Yeah
I think I finally got my shot

Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah
Love is all, love is all the same
Yeah-yeah-yeah, yeah-yeah-yeah
Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah
Why would I expect to see it changed?
Yeah-yeah-yeah, yeah-yeah-yeah
Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah
When every time I hold onto the blame
Yeah-yeah-yeah, yeah-yeah-yeah
Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah
It means nothing to nobody anyway
Yeah-yeah-yeah, yeah-yeah-yeah
Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah
There might be some static in my brain, yeah
Yeah-yeah-yeah, yeah-yeah-yeah
Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah
Losing all the features on your face
Yeah-yeah-yeah, yeah-yeah-yeah
Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah
Your face
Yeah-yeah-yeah, yeah-yeah-yeah
I am just a man without a name
Yeah

I was in Milan for a while
Wasn't even looking for the models

I was looking for the different pastas
Turn the hotel into my office
She been acting like a prima donna
Always putting on a new persona
She would probably put me in a coma
If she saw the wine stains on her sofa

Back and forth, I play the court, I wield my sword and take them down
Off the course, I build my fort above the sky and every town
Back and forth, I play the court, I wield my sword and take my crown
Off the course, I build my fort above the sky and everyone
Yeah-yeah-yeah, yeah-yeah-yeah

Love is all, love is all the same
Why would I expect to see it changed?
When every time I hold onto the blame
It means nothing to nobody anyway
There might be some static in my brain, yeah
Losing all the features on your face
Your face
I am just a man without a name

I am just a man without a
Yeah-yeah-yeah, yeah-yeah-yeah
I am just a man without a
Yeah-yeah-yeah, yeah-yeah-yeah
I am just a man without a
Yeah-yeah-yeah, yeah-yeah-yeah
I am just a man without a name
Yeah
