

TROUBLE

Now I knew that you were trouble
And now you got me in these puzzles
Yeah, I knew that you were trouble aye

Yeah, I knew that you were trouble
And now you got me in these puzzles
And it seems I can't escape you
And my vision like a tunnel

Yeah, I knew that you were trouble
And now you got me in these puzzles
And it seems I can't escape you
And my vision like a tunnel

Troubled mind
Taking off
Look at me man, I'm waking up
Seventeen and I call the shots
Live out what I used to talk
Same ones who used to diss me for my music have been watching now
Yeah, I bet they wishing they could see me underneath the ground
Wonder how they feeling that I'm winning and I made it out
I still wanna give back to my city when I have the crown
I don't, I don't, I don't know
How my life is 'bout to go
Soon I'll be out doing shows
And chasing nothing but the throne

Yeah, I knew that you were trouble
And now you got me in these puzzles
Yeah, I knew that you were trouble
And now you got me in these puzzles
And it seems I can't escape you
And my vision like a tunnel

Yeah, I knew that you were trouble
And now you got me in these puzzles
And it seems I can't escape you
And my vision like a tunnel

I'm over this and I'm over you
I'm over all of the things you do
I flew to space
I live on the moon
Peace of mind, that's coming soon
I got my eye on the prize
Guess you can tell by the grind
Throwing my towel up high
I will not quit till the day that I die

She's so evil, she's so mean
She got tricks rolled up her sleeve
She been casting all these spells
So I see her in my dreams
I'm so lost, I'm so lost
I can't balance all my thoughts
Then I take too many shots

On the wall I'm seeing spots

Damn, I'm getting into trouble
Got myself into these puzzles
And it seems I can't escape them
Yeah, my life been like a tunnel

Yeah, I knew that you were trouble
And now you got me in these puzzles
And it seems I can't escape you
And my vision like a tunnel

Yeah, I knew that you were trouble
And now you got me in these puzzles
And it seems I can't escape you
And my vision like a tunnel
