

Silencer

36 Crazyfists

Into the eyes of my knights. Contender in the clarity.
To see the light. Show me how it ends.

If I have to feel this forever. This shadow follows me.
It always keeps me on the edge. It starts with my infected.
Tomorrow when I wake up myself. Why am I terrified of everythin
g I used to love.
Silencer into the eyes of sanity. Taken for granted any happine
ss.

You take me to the darkest of lies. It starts with my infected
We are the darkest of lies. I am following.
I am the burning of cannibals. I am struggle of mouth. I am the
curse of day.

You're speaking shackles to life. Guardian angel is your demise
. .
Where is the life in the life you live. A lifeless empire, a li
feless heir.

Your crown in the inside out. Turn away before there's nothing
left.
Your tongue is just like a thoughts. Fallen in the disease of l
ies.
These crashing words of justice and truth. Awakening from your
creature.
The destiny in peace of mind. I am following.
I am the burning of cannibals. I am struggle of mouth. I am the
curse of day.
