

They can hear me, they don't see me though  
Nowadays on my UFO  
In a league of my own  
Don't tell me what they want  
Don't say it's been my time (Ayy)  
Right now I'm just living life (Ayy)  
You know what I'm hear to do (Yeah)  
So I've got nuttin' to prove (Let's go)

Fuck money (Why?) Poor, no (Oh)  
Sex cells (Yeah?) Hormone (Ha)  
Take off (What?) Your clothes (Yeah)  
I got it down to a T (No wardrobe)  
We came a long way from selling albums in the boot  
Now we drop a song and see the shit has landed on the news  
When you're makin' money watch what family do 'cause  
That's how you decide whoever's relative to you  
If you rate this and feel this dog then make a playlist  
Of the real 6 God and be the channel with the views  
Money so high up but it fuckin' won't die  
But if numbers don't lie then I'm tellin' 'em the truth  
I'll rock a purse, that crazy bitch  
When I drop a verse, yo, a fat lady sings  
I think my mum and dad should get back making kids  
If I ain't the best born fuckin' Matt Damon is

They can hear me, they don't see me though  
Nowadays on my UFO  
In a league of my own  
Don't tell me what they want  
Don't say it's been my time (Don't say it's been my time)  
Right now I'm just living life (Livin' life)  
You know what I'm hear to do (You know what I'm hear to do)  
So I've got nuttin' to prove

Ayo, I'm grimy, recording every verse up in a payphone  
Do it by the book, but I'm skimming every page though  
You'll be bored as until the time you see play though  
Even as support act I'm still the fuckin' main show  
I can find a silver lining every time it rains though  
Grab the pot of gold while they lookin' at that rainbow  
Ninety-five percent is the amount I'ma save though  
The other five is fuck around money, call it Play-Doh  
Why does everybody in this game rap the same?  
I can put a fuckin' stop to this shit: Drake flow  
Body all these unknown bitches: Jane Doe  
When I say bitches I'm talkin' 'bout how many  
Figures will I aim for, I can figure eight more  
Grade me on the paper, boy, why you want that A4?  
You ain't in the same league, let alone the same sport  
You can't put a baseball player next to a racehorse

Been a minute, now I'm back in it  
Thought I was down, now I'm back winning  
Thought I would lose, huh? Yeah  
But I ain't no loser (Travy)  
I ain't ever fell off

Always been a good fella, yeah  
Veteran like De Niro  
So now I stack hella zero's  
Pent house on the top floor  
I guess I ain't got no floors, dog  
Girl, suck me like she jawless  
Shang Tsung, I be flawless  
Shang Tsung, I be flawless, yeah  
Shang Tsung, I be flawless, yeah  
Shang Tsung, I be flawless, yeah  
Shang Tsung, I be flawless, yeah

They can hear me, they don't see me though  
Nowadays on my UFO  
In a league of my own  
Don't tell me what they want  
Don't say it's been my time (Don't say it's been my time)
