

(This that new batch) Yeah
(Boo, boo, boo, boo)
(We must pay homage to him) Ayy

Doesn't matter what I did first, everybody gonna still doubt
Doesn't matter what I did then, all that matters, what I will n
ow
If all I gotta do is be real, I'll be makin' this a meal now
When I'm sayin' I'm the better rapper, yo, I'm only gettin' wha
t I feel out
Got a name in the rap scene but you rap like you're the top tre
nd
Rap like you're the GOAT now with your name reachin' the top te
n
Bar's 'bout bein' famous but we all know you are not yet
Won't know what that life's like till you've blown up in a pop
sense
I ain't doin' this to make friends, I ain't doin' this to mingl
e
See the game that I run through, tryna undo, this is sinful
Separated from the whole game, fuck you, this is simple
Droppin' albums that are classics and they'll judge you from
The singles
Fuck that, yes, this shit is gonna change
I'll be who they're gonna blame
Not real, so fake, so clear you just wanna name
Ain't even about rap now, ain't even about cash now
Deep down, though, it's pretty obvious that all you're wantin'
is a lot of fame
They know me as a hitman, I'm the best person to kill them
Got ambition all around me, got friends workin' with billions
I ain't got mates that are leechin', got networks that are buil
din' got day ones on the grind [?] net worth's in the millions
And when they told me that I made it, all I said is I'ma make
More
It's only taken me a whole year to get everything I ever prayed
for
Every album is a different weapon and another challenge I'ma ca
kewalk
Did the damage with the hammer on me, now, I'm comin' at
'Em with a chainsaw
Stone cold in my veins now, no makin' me upset
Careful what you speak on, there's no way that I'm done yet
Play it cool when I rocked up it but see 'em all wanna go crazy
Act like when I'm leavin' they won't make me the subject
Yeah, I'm knowin' she a bad bitch, I ain't fuckin' with the med
ia
Anytime I make moves, I see her get a little needier

Have a look at what I write down, can't believe it's gettin' easier
they shoutin' the name out like the whole city [?]
Please
