

Knowing My Place

360

Fletcher
Yeah
360
Let's go
Uh

They hear all the topics she brings up (Brings up)
But all the hits that I've brought out (Yeah)
Every rapper I've torn up
And everyone that I've taught how (Uh-huh)
They hear me rappin' and walk up (Uh)
They hear you rappin' and walk out (What?)
All the shit that you talk up
And yet I'm the one that they talk 'bout (Oi)

I do not have to be sayin'
A word about who this shit is when they knowin' the name
I'm from a era that's golden
And, now that I'm older, I'm happily showin' my age
One thing you know is whenever
I'm droppin' that anything trendy is goin' to change
When I get back in the picture
I always return to the top; I'm knowin' my place

Oi
I'm knowin' my place
Oi

Yeah
They hate that radio play this (Play this)
They hate the way that that made us (Made us)
Our status gave 'em their hate for God
Can't take the way He played favourites
They know what made us stay dangerous
Do this on a day-to-day basis
15, I came with haymakers
Then at 16, I gave 'em game-changers
Blown up, and the city went crazy
Couldn't hear shit when they started the cheerin'
Shown up, and the city goes nuts
It only shows us that a target is nearing
Gettin' done for causing a riot (Uh)
Better go and ask for a hearing
Didn't want to charge an appearance fee
Until I got charged for appearing

I do not have to be sayin'
A word about who this shit is when they knowin' the name
I'm from a era that's golden
And, now that I'm older, I'm happily showin' my age
One thing you know is whenever
I'm droppin' that anything trendy is goin' to change
When I get back in the picture
I always return to the top; I'm knowin' my place

Oi
I'm knowin' my place

Oi
I 'm knowin' my place
Oi
I 'm knowin' my place
Oi
I 'm knowin' my place
