

Teach Me More

360

Yeah, I'm addicted to her
And that's the reason that I listen to her
She's pro'bly thinking that I'm immature
But what she's teaching, I could give it to her

Why don't you put down your pen
Why don't you teach me a lesson
Or I'ma talk to my friend
So you can give me a detention

Oh-oh, teach me more
Oh-oh, teach me more
Oh-oh, teach me more
Oh-oh, teach me more-ore

Ayo, her name was Nina (Nina)
I won't forget her, she my favourite teacher
It wouldn't happen, so I make believe it
And what she told me, I would pay to see it
Uh, I really struggle with my stutter now (Now)
I'm in some trouble, can you help me out? (Oh)
But, to be honest, I don't give a fuck
My pen has fallen, can you pick it up? (Ninsky)

Why don't you put down your pen
Why don't you teach me a lesson
Or I'ma talk to my friend (Fr-fr-fr-friend)
So you can give me a detention

Oh-oh, teach me more
Oh-oh, teach me more
Oh-oh, teach me more
Oh-oh, teach me more-ore

Ms Nina, whoa-oh
Whoa-oh, whoa-oh
Ms Nina, whoa-oh
Whoa-oh, whoa-oh

Oh-oh, teach me more
Oh-oh, teach me more
Oh-oh, teach me more
Oh-oh, teach me more

Why don't you put down your pen
Why don't you teach me a lesson
Or I'ma talk to my friend
So you can give me a detention

Oh-oh
