

## Second Chance

.38 Special

Since you been gone  
I feel my life slipping away  
I look to the sky  
And everything is turnin' grey  
All I made was one mistake  
How much more will I have to pay  
Why can't you think it over  
Why can't you forget about the past

When love makes this sound baby  
A heart needs a second chance  
Don't put me down babe  
Can't you see I love you  
Since you've been gone I've been in a trance  
This heart needs a second chance  
Don't say it's over I just can't say goodbye

So this is love  
Standing in the pouring rain  
I fooled on you  
But she never meant a thing  
And I know I ain't got no right  
To ask you to sympathize  
But why can't you think it over  
Why can't you forget about the past

When love makes this sound baby  
A heart needs a second chance  
Don't put me down baby  
Can't you see I love you  
Since you been gone I've been in a trance  
This heart needs a second chance  
Don't say it's over I just can't say goodbye

I never loved her  
I never needed her  
She was willing and that's all there is to say  
Don't forsake me  
Please don't leave me now  
A heart needs a second chance

Yeahhhhhh you've been gone and I've been in a trance  
This heart needs a second chance  
Don't say it's over I just can't say goodbye  
Please forgive me and forget it  
I was wrong and I admit it  
Why can't we talk it over  
Why can't we forget about, forget about the past

(A heart needs a second chance)  
When love makes this sound baby  
(A heart needs a second chance)  
Don't put me down babe  
You've been gone I've been in a trance  
This heart needs a second chance  
Don't say it's over I just can't say goodbye

(A heart needs a second chance)  
When love makes this sound babe  
(A heart needs a second chance)  
(A heart needs a second chance)  
When love makes this sound baby  
(A heart needs a second chance)
