

Bizz Over Niggas

38 Spesh

Yo, man, what the fuck, man?
You niggas better answer the motherfuckin' phone next time I call, man
Shit is ridiculous
Ya nah'm sayin'?
Ayo, the nigga [?] booked up for like, you know, the whole first murder I-I did with [?] and shit
Ya nah'm sayin'?
We got the interview on the same day as the motherfuckin' show [?] talkin' 'bout cancelling the interview and shit
Ya nah'm sayin'?
Tell that nigga I said, "Nah", man
Loyalty before royalty, man
What they doin' is just charging me a jet, red eye
Ya nah'm sayin'?
And I'd still be able to do the interview
And I'd still make it to the show, I'd just have to perform late
Ya feel me?
And tell that nigga [?] to get up here, man, on Saturday, man
Ya nah'm sayin'?
Tell 'em don't come on Sunday, no, I'ma spend that with the family
Real talk, tell that nigga [?] to make sure that bread get to my baby mother
Ya nah'm sayin'?
And shit, I'ma get with you boys, man, one
Business over niggas
