All of our time stops, why not buy a watch and drive drops?  
To the opps, I provide shots  
I put a bug in your ear then use my Glock as a fly swat  
I'm the guy FBI watch  
They got spy cops takin' wide shots of me in the skybox  
Came to his block with five flocks  
Birds like to track the supply spot and we don't sell livestock, trust

But you still find time to hate on your lunch break  
Heard the feds ran in some place, it was unsafe  
Found the gun in his son safe by the fun place  
Now the nigga sittin' in court with the dumb face  
He snitch, whole shit disappear like Trump case

Fuck a double homicide, my guys tryna get a quadruple  
You waste time, but mine useful  
I was taught grind frugal, that's why my net worth, they tryna google
