

# Hear My Cry

38th Parallel

Hear my cry, my face is numb  
Hear my cry, my legs won't run  
Hear my cry, I'm ripping at the seams  
Hear my cry, if only I could scream

I can taste it, an aching inside  
I can taste it, the offspring of pride  
I can taste it, I'm drowning in a flood  
I can taste it, and it tastes like blood

[Chorus]

Hear my cry when I call your name  
I'd give my life to touch your flame  
Breathe in me, I'm free

Hear my cry, I'm deep in debt  
Hear my cry, in deep regret  
Hear my cry, someone save me from me  
Hear my cry, and give me back sanity

[Chorus]

You have brought me to my knees  
And you have danced in all my dreams  
You have stepped through time and space  
And in my need you kissed my face
